Dear Ex. Pham,

Thank you for granting us an interview in the subject application. As you know, we are scheduled to talk with you tomorrow, April 12, 2007, at 2:00. At that time, please call into our client's conference number, 1-800-416-4956. When prompted, please enter the code 10769191.

We would like to discuss the following issues:

1) The scope and meaning of our independent claims 1 and 23, with respect to "multi-dimensional analysis" and "user input".

2) The scope and meaning of "hierarchy" as seen in claims 33 and 34.

2) The teachings of the Keith reference, U.S. Patent 6,629,097 with respect to those terms.

Thank you,

Reg. #
